## Florence Midnight Blue Kitchen Cabinets

Florence Midnight Blue Shaker is a deep, saturated blue that RTA reports has become one of its most popular colors — the kind of statement finish that reads calm and cool.

It shares RTA's shaker-line construction pattern with dovetail drawers and soft-close doors and drawers. A solid wood face frame, dovetailed drawer construction made from 5/8" solid wood, and 3/4" plywood shelves round out this popular cabinet line.

- Deep midnight blue shaker finish — one of RTA's most popular colors in recent years
- Dovetail drawer construction and soft-close doors and drawers
- Toe kick sold separately; hardware not included
- Full overlay door design
- Soft-close doors and full-extension drawer glides

This cabinet line leaves the warehouse within 2 business days (RTA Quick Ship Guarantee). Order a sample door to see the blue in your own kitchen light. Consider ordering the 10 x 10 foot kitchen kit for easy ordering.
