Florence White Shaker Kitchen Cabinets

Florence White Shaker's bright white finish is built as a transitional backdrop — equally at home in a modern remodel or a traditional one, without pulling focus from tile, hardware, or countertop choices.

It follows the same dovetail-drawer, soft-close construction pattern used across RTA's shaker catalog, so the everyday feel (quiet doors, drawers that glide fully open) matches what buyers get on RTA's other bestselling lines.

- Bright white finish designed as a transitional backdrop for modern, vintage, or traditional styles
- Dovetail drawer construction and soft-close doors and drawers
- Toe kick sold separately; hardware not included
- Full overlay doors

This cabinet line leaves the warehouse within 2 business days (RTA Quick Ship Guarantee). Order a sample door to check the white against your existing finishes. Check out the 10 x 10 foot kitchen cabinet kit.
