Starting at Only $5,406.22

Gloss White Frameless Kitchen Cabinets

The Gloss White line is a laminate which fuses a resin-impregnated sheet of paper onto a substrate of particle board. This makes it resistant to warping, scratch and high temperature. The high-pressure laminate process consists of multi-layered kraft papers that are molded and cured into particle board core substrate at high pressure (typically more than 1,000 psi). It is the most durable laminate availabable, water and fire resistant and flame retardant.
