Weston Sand Shaker Kitchen Cabinets

Weston Sand Shaker kitchen cabinets blend gray and beige into a neutral that works with almost any countertop or backsplash — so you're not locked into one design direction.

Full overlay shaker doors give a clean, seamless front, and the box is built to take daily kitchen use: a solid wood face frame, dovetailed 5/8"" solid wood drawer boxes, and 3/4"" plywood shelves. Soft-close doors and full-extension, soft-close undermount glides mean no slamming and full drawer access, even on the deep pull-outs.

- Sand finish — a calculated gray/beige blend
- Dovetailed 5/8"" solid wood drawer boxes on full-extension, soft-close undermount glides
- Solid wood face frame with concealed, soft-close hinges throughout
- Full overlay doors and 3/4"" plywood shelves for a seamless look and real shelf strength

This cabinet line leaves the warehouse within 2 business days (RTA Quick Ship Guarantee). Order a $4.99 refundable sample door before you commit to the finish. Check out preselected cabinets for a 10 x 10 kitchen with our Weston Sand kit.
